

P2 Solar, Inc. Announces Completion of \$110,000 Private Placement Under Partial Revocation Order

Vancouver, BC, September 21, 2023 — P2 Solar, Inc. (OTC Pink: PTOS) ("P2 Solar" or the "Company") announces a successful completion of the final tranche of a CA\$110,000 private placement through the issuance of debt securities convertible into common shares at CA\$0.03 per share.

The Company's securities are currently subject to a cease trade order (the "Cease Trade Order" or "CTO") issued on March 6, 2015, by the British Columbia Securities Commission (the "BCSC"), which serves as the Company's principal securities regulator in Canada.

The private placement shares were issued pursuant to a partial revocation of the CTO issued by the BCSC on November 24, 2022, as previously announced by the Company in its press release of November 29, 2022. The proceeds from the private placement have been and will be used for: (i) auditor fees, financial statement preparation, regulatory and late filing fees, and legal expenses.

All of the Company's securities, including any underlying common stock shares that may be issued in connection with the private placement, will remain subject to the Cease Trade Order until it is fully revoked. The Company has applied for the full revocation of the Cease Trade Order now that it has fulfilled its filing obligations under MI 51-105. However, the issuance of a full revocation of the Cease Trade Order is not certain.
